

"Imagine if every resident in the 6th District had access to resources, support, and opportunities they need to not just survive, but truly thrive—what transformative changes could we see in our communities?"

We invite you to join us in a community coalition to empower and breathe life into our community.

A coalition is a group of diverse organizations and individuals coming together to achieve common goals. By pooling resources and efforts, coalitions can address complex issues more effectively than any single entity could alone.

O.N.V. (Our Neutral Voices) is a community-driven nonprofit organization based in the 6th district of Fort Wayne. We are dedicated to creating opportunities for growth and safety, furthering educational and employment opportunities, increasing awareness of resources, and providing alternatives to illicit activities. By working together, we can advance social equity and create a positive, prosperous community where everyone can thrive.

Our holistic approach will address the community development through five key pillars:

1. Spiritual
2. Mental/Physical Health
3. Education/Performing Arts
4. Financial
5. Sports

This comprehensive support system aims to uplift individuals and families.

This coalition is managed by community members dedicated to building trust and accountability. By collaborating with local nonprofits, businesses, educational institutions, and community leaders, collectively we can maximize our impact and reach.

Together this community-driven coalition can create a brighter future for everyone in the 6th District. Let's discuss how we can collaborate for the benefit of humanity.

Thank you for your commitment to improving the quality of life in our community. We look forward to working together to make a lasting impact on Fort Wayne and Allen County.
